

Figure 2 Regional, national, and subnational carbon pricing instruments already implemented or scheduled for implementation: share of global GHG emissions covered

Note: Only the introduction or removal of an ETS or carbon tax is shown. Emissions are given as a share of global GHG emissions in 2012. Annual changes in global, regional, national, and subnational GHG emissions are not shown in the graph. Data on the coverage of the city-level Kyoto ETS are not accessible; its coverage is therefore shown as zero.
